The Mason LINE

by Chan Mason

We are glad to be home from the hospital after a short but memorable bout with a calcium deposit. The bonanza was discovered in some remote subcutaneous passageway through the use of a strange instrument (we are sorely tempted to call it a gag counter) skillfully manipulated by a most determined prospector in a white skull cap.

—ML—
Speaking of prospecting—just how much uranium can be found until the stuff becomes as cheap as money? Canada and Mexico are still to be heard from too, you know.

—ML—
Still being cautious, we might add a note of warning to budding and inexperienced rock hounds. Extra precaution should be taken this year in our back country against rattlesnakes. The devils are out early and in large numbers.

—ML—
Incidentally we have a new snake bite kit this year. An ethyl chloride spray preparation that is applied around the bite which freezes that particular area and keeps the venom from spreading through the system. It eliminates the cutting and suction method formerly used which caused so many cases of blood poisoning from the use of unsterile instruments. The new method also allows the victim to move under his own power until medical care can be provided.

—ML—
Anyone still doubting the value of audio-visual education need only look back a couple of weeks ago when Disney gave us a new Davey Crockett together with the tune of the same name. With startling suddenness every kid from five to fifteen burst forth in full voice giving out with this catchy little folk song. But after all, enough is enough. Please, Walt, hurry and come up with something new will ya please, huh, please?

—ML—
HATS OFF DEPT.
To L. G.'s own Eddie Eraut for his really brilliant pitching and hitting performance against L. A. last week. Didja know Eddie is an active member of our fire department in baseball's off season?

To all the citizens of our fair community for the hours of hard work and the thousands of dollars they have contributed in the polio fight. Makes yuh feel good to know that the effort will soon pay such rich dividends, doesn't it?

A special award should go to the Review for the reams of publicity given to promote the many special events presented here for the benefit of the polio fund.

—ML—
"Breaking the sound barrier" has something to do with jet planes and aviation, we understand. But we could sure use it on nights that mama's club is meeting in the next room and we're trying to talk on the phone.

DR. JACOBS TO ADDRESS L. G. JUNIOR HIGH P-TA

Dr. J. Smith Jacobs, director of pupil personnel for the county schools, will discuss "Guiding Our Youth" with members of the Lemon Grove Junior High P-TA when that group meets this Thursday night, April 21, at the school auditorium. Following his talk on teenagers and their immediate future, Dr. Jacobs will welcome questions from the audience.

Music for the evening will be furnished by the trumpet trio from Bonham Brothers Band. Hostesses will be room representatives from the 7-4 and 7-5 classes, with Mmes. Clarence Yokley, Kenneth Trytten, John Mallow, and Esther B. Smith as chairmen.

The executive board of the P-TA met last Tuesday evening at the home of Mrs. Billie Burke, 7209 Blackton Dr., Vista La Mesa. Co-hostess was Mrs. Ralph Brehl. The members discussed plans for the swimming pool carnival in May and made plans for the teachers' luncheon the last day of school in June.

Those present included Mrs. John Dail, president, and Mmes. Harold Randall, Peg Darroch, Evelyn Whalen, Carl Planchon, Harvey Thurland, John Cornelius, Robert Beckham, Vernon Linden, Frank Vaughn, George Bell, Harold Perkins, Billie Burke, and Ralph Brehl. Also in attendance were Miss Laura Becker, Ben I. Schei, principal, Merlin Gale, Tom Brogan, and Jack Lemmer.

Wages in the building trades have risen an average of 10 cents an hour, or 3.7 per cent, in cities of 100,000 or more.

Seeks to Unseat Water Board Director

Arthur Connors, 1541 Taft, Monterey Heights, left, operator of American Water Softener Services; Jack Arbuckle, 1953 Ensenada St., Monterey Heights, an employee of the line department of the S. D. Gas and Electric Co., and his wife Barbara are two of several Lemon Grove families circulating petitions for the recall election of Harry Griffin, who was recently re-elected to the Irrigation Board from the Lemon Grove District. In the background is attorney Kenneth Barwick of Lemon Grove.

"Revelations made recently in the Review concerning Griffin's dealings in tax-deeded property convinced many of us that he must go," Connors stated. "Such reckless disregard for the law puts an additional burden on the working man who can least afford to pay for it."

"The Arbuckles said, 'We heard rumblings of shenanigans in the water district and the records of Griffin's dealings proved to us beyond a shadow of a doubt that these dealings were made at the taxpayers' expense.'"

The Arbuckles last month attempted to purchase one of the remaining pieces of property which Griffin had not taken title to. The property is adjacent to the Arbuckle residence and is similar to approximately 200 lots Griffin purchased, some for as little as \$200 as he sat as director on the Irrigation District board. The offer, made in writing to the board, was rejected.

Voters in Lemon Grove were circulating petitions this week for a recall election of Harry Griffin who was recently re-elected to the board of directors of the La Mesa, Lemon Grove, Spring Valley Irrigation District.

The action stemmed from a revelation made in the Lemon Grove Review in February, directly after the election, which showed that Griffin had numerous transactions in tax-deeded property while seated as a board member.

At that time the Review published a replica of deeds by which Griffin took title to tax-deeded property, many for less than \$200, and sold them at huge profits. At least one such transaction was made in which he sold the property before he took title to it from the Irrigation District.

The law is very specific concerning such transactions. It reads "No officer named in this division shall in ANY MANNER be interested in any contract awarded or to be awarded by the board or from ANY PROFITS to be derived therefrom" (Caps ours).

Griffin's transactions were publicized earlier this year concerning 39 lots in Hillsdale, which is in Monterey Heights.

In this instance he acquired a buyer, according to public records, on February 24, 1953. Records show him to have obtained a quit-claim deed from the district on March 31 of that year, or five weeks after he had sold them.

Mr. and Mrs. Jack Arbuckle, 1953 Ensenada St., in Monterey Heights, in the area where Griffin was active, are one of the circulators of a recall petition. Arbuckle is in the line division of the gas and electric company.

"We think that elected officials should not only obey the law, but should heed the letter of the law," they stated. "To show how unfair this is, we applied for one of the lots left over by Griffin of the lots left over by Griffin. The assessor wrote us that, 'they do not desire to dispose of this and other lots in Hillsdale until such time as they have perfected a merchantable title to the lots.'"

"Griffin was able to quiet the title to that property he bought. I think that if they had the taxpayer's interest at heart they would attempt to sell the lots on some sort of a bid, or offer basis rather than to keep them for selected purchasers." The lot in question is a hillside lot adjacent to their own property. "If lots were available to Griffin at \$200, we should be able to get one for \$1,000, which is the amount we're prepared to pay."

Art Connors, operator of a water softener service, who lives at 1541 Taft, also in Monterey Heights, is also circulating a petition. A family man with three children, Connors' reaction was to the point.

"I for one cannot afford the luxury of taxing body officials taking a profit that should go to the taxpayers. It was their property, the law states that board members cannot profit from contracts, and Griffin did. All board members vote on such transactions and that makes the rest of the board a partner in whatever responsibility is involved in these

deals." It requires 10% of the registered voters to petition for a recall election. There are about 6725 registered voters in the district. Circulators of the petitions said that there was little question concerning their ability to acquire the required number.

"Feeling is quite high against Griffin concerning these deals and about the water board in general," Mrs. Arbuckle said.

Night horse shows will be a feature of the Southern California Exposition and County Fair at Del Mar, June 24

Work Starts on New Bank For First National

Work started this week on a new building for the Lemon Grove Branch of First National Bank, is announced by Anderson Borthwick, president. The 99x288 foot site, on Golden Avenue from Imperial Avenue to School Lane, is in the heart of the Lemon Grove business district. Plans call for a 63x105 foot building which, with mezzanine space, will total 9700 square feet and will include two rental units. The site, building, fixtures and equipment will represent an investment of close to a quarter million dollars, an expenditure which, Borthwick said, indicates the confidence of First National in the future of Lemon Grove.

The structure will be of reinforced concrete, and the main entrance, on the southeast corner of Golden and Imperial, will be a curved facade of stone veneer. Included on the main floor will be the officers' deck, ten commercial teller windows, five note and savings windows, the safe deposit vault, two private escrow rooms and two drive-in windows. On the mezzanine will be the employee lunch room and lounges, stationery stock room, and the heating and ventilating equipment. It will be air-conditioned throughout.

The drive-in entrance will be from Imperial Avenue on the south side of the bank, with an exit on Golden. In addition, there will be a customer parking lot entrance and exit on School Lane. Accommodations for 32 cars are planned for the parking area. The two rental units, one upper and one lower, will face Golden Avenue.

Completion is set for late fall.

U. S. National to Open Bank in Lemon Grove

United States National Bank will occupy the building at 7904 Broadway, in the building adjacent Luther Hussey's law office, about June 15, it was announced this week by bank officials.

The premises were formerly occupied by a furniture store. M. N. Wilson, president of the bank, said that the location was a temporary one, that a permanent address would be taken later.

The Lemon Grove branch of the United States National Bank will be the third for that financial institution in the San Diego metropolitan area. The other two are the El Cajon Boulevard and Pacific Beach offices. The bank's main office is at Broadway and Second Avenue in San Diego.

Other offices of the bank are in El Monte, Monrovia and Arcadia, with another scheduled for opening in Fullerton this summer.

The United States National, known as the "Friendly Bank," was established in 1913, when San Diego's population was around 65,000, and growth of the institution has kept pace with the community's steady, and recently spectacular, progress. Currently, the population is pressing a half million.

C. Arnholt Smith, executive vice president, and associates, acquired control of the bank in 1933. Under the present management, deposits increased from \$1,532,000 in that year to \$44,347,015 at the end of 1954. Last year's total represented a gain in deposits of \$4,821,225, or 11.2 per cent over 1953.

Associated with Smith in the bank's management are M. N. Wilson, president; L. H. Duffer, Jno. M. Athaide, Joseph Palmer, and L. N. Boughton, vice presidents; C. J. Witmer, cashier; and the following directors: J. C. Evenson, Paul Garber, Cecil B. Grove, W. H. McCune, Lawrence Oliver, T. Claude Ryan, Renwick Thompson.

Mrs. Castle Elected President of Woman's Club Jrs.

The Lemon Grove Woman's Club Juniors are very happy to announce their new officers for the coming club year: Mmes. Billy M. Castle, president; Ralph Kraft, first vice president; Tom Mitchell, second vice president; Eugene Johnson, third vice president; Fred Cohenour, recording secretary; Warren Bellows, corresponding secretary; Fred Gurney,

Some Sort of A LINE

By JACK WOOLSEY

Then there was the guy who first met his wife when she was an elevator operator. He proposed and she took him up.

'Tis said that the surest way to hit a woman's heart is to aim kneeling. Then it takes years to get back on your feet again.

The dime drink is still available in Tennessee, a recent autopsy shows.

If a man wants to spend money where it will show, all he needs is a wife.

America is the land of soil conservation and soiled conversation.

A local man whose wife recently presented him with twins was so happy he went around grinning from heir to heir.

When a man's wife insists on joining a nudist colony all he can do is bare with her.

Little Patsy Cummings' widowed mother married a man named Goins. This resulted in Patsy being called Cummings by those who understood the circumstances, and Goins by those unfamiliar with the family relationship. By the time the little girl was six years old she didn't know whether she was Cummings or Goins.

It's easy to quit drinking. Many have done it hundreds of times.

financial secretary; Willis Carr, treasurer.

Also, at the April 12 meeting, Mrs. Jack Lewis was accepted as a new member and given her federation pin.

Mrs. Castle and Mrs. Leon Meyer will be the Lemon Grove Juniors' delegate to the district convention in Pasadena. Alternate delegates will be Mrs. Bert Betts and Mrs. Fred Gurney.

Book Review Part of Woman's Club Program

The regular meeting of the Lemon Grove Woman's Club will be held on Friday at the clubhouse at 1:30 p.m. The Ceramic Section program, originally scheduled for this meeting, will not be presented. Instead, Mrs. E. A. Floto of La Mesa will give a book review of "The Shape of Sunday" and will outline several current books. Election of officers will take place at this meeting. Hostesses will be Mrs. J. E. Butler, chairman, Mrs. Lillian Allison and Mrs. Harold Sayward. Mrs. Paul Harvey will assist.

On April 28 members of the club and their guests will leave by bus at 6 a.m. from the clubhouse for a trip to Hollywood TV studios. Programs to be visited include Queen for a Day, Art Linkletter and Bob Crosby. The party will then go on to Knott's Berry Farm for dinner and return to Lemon Grove at 10 p.m.

The Dimmer VIEW

By MAX GOODWIN

In my somewhat warped opinion, civil defense has not been a howling success for a reason that has irked me almost constantly since the present program was initiated. Except in rare instances, the persons who head up civil defense have taken the attitude that weekly newspapers should have a man assigned to develop stories and cover the c.d. meetings or do without them.

This irksomeness didn't stem from the fact that c.d. is too important to cover, it came from the frustrating fact that county newspapers, except the wealthy ones, do not have the manpower to cover all the events going on in the county, intensified by the knowledge that the c.d. people apparently didn't care enough for the coverage that weekly newspaper could offer to try to work out a suitable arrangement.

Now comes a letter from Stanley Pierson, acting director of the Office of Civil Defense for the state to all local directors in which he acknowledges that such newspapers are an important cog in the civil defense machine even though he does qualify it with the need tied to a situation that would exist after an enemy attack.

I think civil defense people have blundered seriously by overlooking the weekly field. Their present meetings are attended by pitifully few people; community enthusiasm is low; and the residents' knowledge of what to do in an emergency is little.

A few weeks ago I received through the mails, as did all of you, a pamphlet from the county c.d. unit, together with a card, with a recommendation for items to go in a disaster car kit. We went to the market and purchased the items and put them in the rear compartment of our auto where they will remain until used, or the threat of attack is passed.

The picture of danger was dramatized and intensified as I bought the canned milk and the jugs of drinking water. I could, as I made the purchases, visualize my kids in the car, stalled for days on a road knotted by traffic as a result of too few escape roads. Naturally, I added a few more items, just in case.

It was that picture, not anything civil defense people have done or said, that brought the grim realism of the threat home.

I hope the letter from the state director starts a new quality of thinking amongst the county c.d. people. They'll find, however, that nothing new has been uncovered. Weekly newspapers, especially this one, have been standing ready to cooperate and help. It may come as news to them, though, that many persons look to their community newspapers for information and guidance. A better intelligence between c.d. and the weekly press might even be the solution to their problem when they complain of the average citizen's lack of enthusiasm.

John Heim.

Guests present were Reverend Father McDonagh, court chaplain, Mrs. Roy Fitzgerald, state treasurer, diocesan chairman, district deputies, grand regents and members of the other Catholic Daughter Courts of San Diego.

Eighteen New Members Added to Court Teresa

Eighteen new members were initiated, as well as members of Court Our Lady of Grace, El Cajon, and Court St. Margaret, Chula Vista, into Court Teresa of Avila, Catholic Daughters of America, Tuesday evening in St. John of the Cross Auditorium, Lemon Grove. Mrs. A. H. Osterberg, grand regent, presided at the impressive candlelight ceremony, assisted by Mrs. Howard Jones, district deputy.

Reception welcoming the new members was held following the initiation. Dainty refreshments were served to the beautifully decorated tables by Mmes. A. A. Pfeiffer and Cecil Anderson who were assisted by Mmes. R. N. Martin, P. T. Corrao, J. H. Damberger, C. J. Jagers, and M. J. Wasko. The attractive floral decorations were arranged by Mrs.

Mayfair Market Opens in Chula Vista

A new Mayfair Market, occupying more than 27,000 square feet in area, opens this week in Chula Vista. It will be the seventh opened in the San Diego area.

Kenneth Stapp, former manager of Big Ace chain has been named manager.

The market will employ 55 persons and is the 35th in the Mayfair chain.

He had apparently been in good health and he and his wife had just returned from a 3 weeks trip to the Canal Zone. He managed to stop his car on Harbor drive before falling. A motorist assisted Cloyd but he was pronounced dead within a few minutes.

Cloyd last year ran for state senate. Previously he represented the 80th District in the Assembly.

Ralph Cloyd, Good Politician, Dies

Ralph R. Cloyd, 52, a resident of Chula Vista but who was well known in Lemon Grove for his work as Assemblyman, died Tuesday afternoon as he was driving home from a luncheon engagement.

He had apparently been in good health and he and his wife had just returned from a 3 weeks trip to the Canal Zone. He managed to stop his car on Harbor drive before falling. A motorist assisted Cloyd but he was pronounced dead within a few minutes.

Cloyd last year ran for state senate. Previously he represented the 80th District in the Assembly.

GARDEN TOUR PLANNED BY HOSPITAL AUXILIARY

By MARY LANDESCO

Six outstanding gardens in the La Mesa, Grossmont, Fletcher Hills, and El Cajon areas will be visited on Grossmont Hospital Women's Auxiliary's second annual garden tour, Saturday and Sunday, May 21 and 22, 1 to 5 p.m. Although the gardens to be visited lie within a relatively small radius, thus saving time and mileage, the Lemon Grove, Lakeside, Spring Valley, Alpine, and Jamul areas of the auxiliary are also participating in the event.

Many types of residential and ranch landscaping will be represented, from old to ultra-modern, each one interesting and instructive in its own way. The tour may be split, if desired, visiting certain gardens on Saturday and the remaining ones on Sunday. At one of the gardens, delicious refreshments will be served throughout each afternoon, at no additional charge: tea, coffee, sandwiches, and fruit drinks for the children—amidst delightful surroundings and to the strains of soft organ music. Two auxiliary members will serve as hostesses in each garden, each day, to help explain the plantings and general landscaping patterns, to see that each visitor signs the guest book, and to punch tickets.

Mrs. Roland Jensen, 6750 Center St., La Mesa, is chairman of the garden tour committee; Mrs. S. P. Thacher, 4433 Summit Dr., La Mesa, is co-chairman. Auxiliary members have been drawn from all areas to serve on the following committees: garden selection and description (chairman) Mrs. Leon Noel, El Cajon, (co-chairman) Mrs. Carlton Williams, Grossmont; route map, Mrs. S. P. Thacher, Mrs. Benj. Polak, both of La Mesa; posters and signs, Mrs. Richard Holmergren, Grossmont; hostess (chairman) Mrs. William J. Bobisch, (co-chairman) Mrs. R. O. Kindy, both of La Mesa; refreshments, Mrs. Earl Wolcott and Mrs. T. B. Smiley, both of Lakeside; advance ticket distribution Mrs. James B. Harter, La Mesa; ticket sales on tour days, (chairman) Mrs. Benj. Polak, (co-chairman) Mrs. H. F. Marlin, both of La Mesa; publicity, Mrs. Paul Fellows, Lemon Grove.

Tickets (donation, \$1.00), tour maps, and descriptions of the gardens to be visited, are available at La Mesa Chamber of Commerce, 8152 Allison. Tickets may be obtained on tour days both at the Chamber of Commerce and at the tour's starting point, Rose Hedge Manor, 8552 La Mesa Blvd.; or, through auxiliary members in all areas. The tour will not be a conducted one, nor will transportation be furnished.

M.H. P.T.A. GROUP HEARS SPEECH CORRECTIONIST

Mrs. Genevieve Oliphant, speech correctionist of the Lemon Grove School District, presented a discussion about her speech classes at the regular meeting of the Monterey Heights P.T.A. earlier this month, and Si Metzner, fifth grade teacher at Monterey Heights school gave a report on a civil defense meeting held in this area. Inspiration for the meeting was given by Mrs. Ellen Berdel, kindergarten teacher at Monterey Heights school.

Hostesses for the evening were mothers of pupils from Mrs. Roberta Smith's first grade class and Rick Stammerjohn's sixth grade class. They were assisted by Mrs. J. F. Hopkins, room mother chairman. At the close of the meeting there was a social hour and refreshments were served.

WATCH AUTO FIRE HAZARDS

With the warm days drying up much of the roadside vegetation, the fire hazard is increasing. Thus, motorists are reminded to use their ash trays for cigarette butts, burning pipe tobacco, and match stubs rather than throwing these combustible materials out of the window.

Assessor Wants Business Property Affidavits Back

County assessor Arthur C. Eddy advises that businessmen who have not made their property tax declarations for this year should make them as soon as possible to avoid any penalties through their own neglect. Because of the new machine operation in the assessor's office we requested cooperation as to the return of these forms by April 1. In order to complete our work program these forms must be returned as soon as possible.

On March 3 of this year 23,000 business property affidavits were sent to businesses and to date 4,873 have not yet been returned to his office. The assessor earnestly suggests that those businessmen who have not yet made their return to his office, do so at once to relieve themselves of possible penalties in the near future.

ALICE ROBERTS 81, PASSES

Alice Roberts, 81, 8351 Imperial, a 20 year resident of Lemon Grove, died this week at her home. She is survived by her husband, Albert J., who has lived here more than 40 years and for a greater part of the time operated the area's goat farm. She is also survived by a daughter-in-law in Los Angeles, a grandson in Long Beach and a sister in the east.

Mrs. Roberts, restricted for years to a wheel chair, was an active member of the Indoor Sports. Eighteen years ago she originated the Truth, Honor and Justice Club, a group for teenagers. She acquired considerable affection for her happy birthday and holiday cards which she sent out in great quantities. Her friends are legion.

Conrad Mortuary handled the services. Cremation followed.

Local Garage Named Official Brake Station

Thomas Garage, 7579 Broadway, has been named official brake adjusting station for the California Highway Patrol, Jim Thomas said this week.

When autoists are given citations because their vehicles have faulty brakes, Thomas Garage is authorized to sign the tickets off, he said.

Patrolmen may cite drivers whose cars cannot stop in 37 feet at a speed of 20 miles per hour, or whose cars have erratic or malfunctioning brakes.

Methodist Women To Have Rummage Sale

The women of the Methodist Church are sponsoring a rummage sale, April 28 and 29 at 9:30 a.m. at 3250 Buena Vista, Lemon Grove. The proceeds of the sale are going into the building fund for the new church which is to be erected at Washington and Golden Avenues. Mrs. Sue Harlow has been making arrangements and gathering the donations. She may be reached at HO 6-3815.

HIGHWAY ZOO

The GOOSE

This, of course, is the honker. To him, expert driving is steering straight ahead with one hand and giving 'em the horn with the other. Saves on brakes—and brains! Take the horn away from this tooter and he'd be like a policeman with a sore throat!

NATIONAL SAFETY COUNCIL

Helicopter Highlights By Hugh E. Ramsdell Chief Pilot

La Mesa Helicopter Service

I think you will be interested in a project we completed last July. . . . We flew about 36 round trips from the rim of the Grand Canyon to a mining camp located at the bottom, along the river bank. . . . Mostly cargo, food and supplies to care for a crew of men, working on a nitrate deposit which occurred in a cave several hundred feet above the river level. . . . Sheer canyon walls and rock formations with every color in the rainbow. . . . Two minutes from the top to the bottom—twelve minutes to climb back up to the rim again. . . . You might think it would become routine and boring after several days on the same milk run. . . . It never does, the scenic beauty of the Grand Canyon of the Colorado, as seen from an airlift helicopter, is completely fascinating. . . . Forgot to mention the temperature at the rim was 110 degrees and at the canyon bottom 130 degrees. . . . Our base camp to live in was 90 miles from the nearest town. . . . Never a dull moment in the commercial helicopter industry, we always say. . . . Always finish with a good question. . . . Do you know that several Bell helicopters on mail runs in the Chicago area have logged over 5000 flight hours each?

Bob Durrell Wins 'Achievement' Award

Bob Durrell, son of Mr. and Mrs. George W. Durrell, 1925 El Prado Ave., Lemon Grove, won the Junior Achievement Salesmanship Speech Contest last week in San Diego. Sixteen Junior Achievement companies from San Diego County participated.

Bob was the production manager and purchasing agent for his firm the first quarter. The firm is called Bite-A-Note Company and operates in the Junior Achievement Building at 8348 Allison Ave. in La Mesa and is sponsored by Drew Motors.

Bob will fly to San Francisco with his advisor, Mr. Putz, on April 22 and will represent San Diego County. He will compete in the State Salesmanship Contest there. The winner in San Francisco will then go to New York and compete in the national contest. The winner will then receive a \$3,000 scholarship.

Bob is a junior at Helix High and is employed part time at Carr's Hardware in Lemon Grove.

KIDDIE cooks will thrill with pride when Mother lets them prepare the main dish. One they can make . . . Eggs a la King. It's also timely, for there are more eggs in the stores these days than can be found in the land of the Easter Bunny.

This recipe for Eggs a la King is "child's play" because the sauce is made with condensed soup. Cream of chicken or mushroom will do. A bit of help from Mother when it comes to cooking and slicing eggs. Then the lad or lassie can take over.

Eggs a la King
1 can (1 1/4 cups) condensed cream of chicken or mushroom soup
1/2 cup milk
4 hard-cooked eggs, sliced
1/2 cup finely chopped pimiento
4 slices buttered toast
Blend soup and milk; heat. Add eggs and pimiento; stir gently. Serve on toast. 4 servings. **INS**

Lake Cuyamaca to Be Emptied Again

Lake Cuyamaca, favorite fishing spot of former years, will again be drained in order to conserve the diminished water supplies of the Lemon Grove, Spring Valley Water Works, the board of directors instructed last week.

The lake, in the mountains about 50 miles east of San Diego, now has approximately 375 acre feet of water, and the level has already dropped four inches from its peak due to evaporation, R. M. Levy, board president, reported. Total loss by evaporation would result from leaving the water in the lake, he said.

The district will begin draining the water down Boulder Creek on April 18 at the rate of 50 acre feet per day. The water will be stored in El Capitan reservoir, where the evaporation rate is less than half that of Cuyamaca, M. J. Shelton, chief engineer, said.

The district has been negotiating with the State Wildlife Conservation commission in an effort to pump water from abandoned Stonewall Jackson mine, on the east shore of the lake, to maintain the water level. Nothing can be done under this plan to aid the situation this year, however, Shelton said.

LOVE THY NEIGHBOR BUT KNOW THE LAW

The home owners next door are known in law as adjoining landowners. The law makes it your duty not to injure other persons or their property. For next door neighbors the law has wisely set up special rules. For if one owner damages his neighbor's property or interferes with his use of it, the law has to settle the back fence dispute quickly. Better yet, let the parties know the law to keep the problem from arising. Some common neighborly problems:

1. Suppose by mistake you build your home about three inches over on B's lot. You can be made to move your house off B's lot, sometimes at great cost and trouble. So before building, why not have a qualified surveyor or locate your boundaries?

2. Mrs. Jones fights with her neighbor, Mrs. Smith. She claims that when she hangs the wash out, Mrs. Smith gives her dirty looks. She thinks Mrs. Smith spies on her. She wants

BIG DOINGS AT PRESBYTERIAN CHURCH

Friday evening at the Trinity Presbyterian Church a huge group of Cub Scout Pack No. 171 met with their parents at an induction ceremony at the Spring Valley School Auditorium. The rating of "Bob-Cat" was given Monte Carlson, Kenneth Kiesel, Dan Kendall of Den 1, Patrick Manley of Den 2, Stanley Clough of Den 3, and Oren Logsdon and John Burton of Den 5.

Den 6 was established and has eight new boys, Sterling King, Jay Robinson, Michael Weigel, Dannie Evers, Chas. Douthett, Richard Golden and Mike Kelley. Mrs. King is Den Mother for Den 6 and Mrs. Kemp replaces Mrs. James as Den Mother for Den No. 5. A two year pin was presented to Mrs. Matters. Bob Jump is the new Cub Scout Committee Chairman.

Six boys received advancements, also gold and silver arrows. They were Gregory Davis, Richard Boardwell, Donald Matters, Michael Gay, Ronald Thomas and John Robinson.

Scout Troop 171 will be having a pack in camp out this coming weekend with fishing, hiking and advancements included.

Read each Want-ad . . .
... you may be a winner.

LAW IN ACTION

Mr. Jones to raise the back yard fence to 12 feet. Can he do this? Not in such a case the law calls a fence over 10 feet high a spite fence.

3. Friends Brown and White own lots next to each other. They plan to build houses. They like the idea of putting their garages in the back of the lots and sharing an eight foot driveway, half on Brown's lot and half on White's.

Is this wise? The common driveway may work fine. But what if Brown sells his lot and the new neighbor turns his garage into a work shop and then fences off his part of the driveway as part of his yard? You might need a law suit to find out if White can still use the driveway and have the fence taken down.

Where two people share part of each other's land, you should put this "easement" in writing and record it with the county recorder. This recording gives a buyer of either lot notice of the neighbor's rights and makes it binding.

NOTE: The State Bar of California offers this column for your information so that you may know more about how to act under our laws.

Decorator's Notebook by Alicia Joyce

Soon it will be time to store the winter woollens. A cedar chest is the most likely and safest item of furniture for this purpose. Today, it is possible to have a cedar chest in your home wherever you want it most. The modern cedar chest is attractively styled in a manner that doesn't set it apart from the rest of your home furnishings. The cedar chest shown above is one of the most contemporary cedar chests. It resembles none of its predecessors. New design features, both inside and out, offer greater convenience, and safer protection for blankets, favorite cashmeres, and other special wintertime furnishings and apparel.

The base is of coffee table height and is made of alternating strips of maple and walnut. The accordion-hinge doors are maple wood, and glide on a special dust sealing metal rail. For color contrast the case frame is made of cherry wood. The maple doors are edged in ebony. Naturally, the inside wood is protective cedar.

CURE FOR BLUES

This is an experiment in color! On page six is an advertisement for Food King Market, which we agreed to run in color to commemorate the announcement of their acquisition of Blue Pacific Trading Stamps.

Few weekly newspapers using a flat bed press have ever attempted to run a single advertisement in color because of the extra time, effort and expense involved. The Review, perhaps a little foolhardy, is taking a swing at the task. To prove it can be done we are printing this announcement in blue.

For results of the advertisement check page six today.

The Editor

William Rife Starts His Own Business

William Rife, 2040 Dayton Dr., Monterey Heights, formerly in the service station supply business, has opened his own supply business operating out of Lemon Grove.

All types of nationally branded service station and garage equipment and tools will be handled, Rife said.

It is called Bill Rife, Automotive Equipment.

Rife has been active in local church and civic organizations. He is married, has two children.

Versatile Marigolds Grow Well In This Area

One of the most popular plants in the gardens around Lemon Grove and Spring Valley this summer will be the Marigold. Because of its ability to adapt itself to most garden soils and to withstand the heat of summer and the conditions that predominate the fall season, it will indeed be much desired. The original Marigold came only in yellow and orange, however, today some of the lighter yellows are approaching a white tone and some varieties, particularly the dwarf Marigold are reaching toward the red shades.

Few plants in the modern garden can cover the wide range of heights offered by the summer

Marigold. Some of the dwarf varieties are as low as six inches in height, with practically a steady climb in other varieties until finally topped by the three foot height of the African Marigold. This means that Marigolds can be used for many purposes—from border, through the medium height plantings, and as a background plant.

As for flower shapes and sizes there are carnation flowered, chrysanthemum flowered and some of the modern dwarf varieties even in a single petal arrangement. The flowers range in size from one inch up to five inches in diameter. Because of the Marigold's wide acceptance the seedsmen have worked steadily upon this plant over the years to widen the color range, flower formation, height, etc. Because of the fact that these men have spent a great deal of time and effort working on this very versatile plant you will find many new introductions, each one worthy of your consideration when planning your garden arrangements.

As Marigolds thrive under warm summer conditions they should not be planted in shade areas. The smaller varieties should be planted approximately six inches apart with the larger African variety given one foot between plants. Any spot in your garden that is located in a sunny area, and where color is desired for many months, would be ideal for Marigolds. At least one variety can be found from the wide selection available that will fulfill your requirements. Not only your yard but your home can benefit since Marigolds can be used in most home flower arrangements and a combination of many of the sizes and colors can brighten even the darkest room.

Few pests attack this fast growing plant and with a minimum of care a maximum of beauty can be achieved. To keep these plants blooming over a longer period of time it is best to cut off each bloom prior to its going to seed. Most people find that it is best to cut the flowers in their prime or use in the home, thus doing two jobs at one time.

Want-ads get fast results. To place your want-ads call HO 6-4133

KIWANIS PLANT TREES IN CONSERVATION PROGRAM

Ten trees were planted on the playgrounds of the Lemon Grove Junior High School by members of the Lemon Grove Kiwanis Club. The club planted trees to mark National Conservation Week.

In the photo are Sam Solleder, vice president of the club; Fred Wright and Chuck Adams, members of the Kiwanis Conservation and Agriculture committee.

L. G. Camera Shop Photo.

TODAY'S meditation

The Upper Room
THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Read Romans 8:1-5
Death is swallowed up in victory. (I Corinthians 15:54.)

Too long have people been frightened by shadows, including the shadow of death. Of all things mortal, the most mortal is death. Its lot is cast with the things that perish. Even so, death is not victor even there; for when matter has gone back to its elements, it soon is snatched from death again and lifted into new forms by life.

John Donne was right when he wrote:
"Death, be not proud, though some have called thee Mighty and dreadful, for thou art not so;
One short sleep past, we wake

eternally,
And Death shall be no more: Death, thou shalt die."

Life has the victory. Christ, the master of life, gives that victory to all who cast in their lot with the eternal, to all "who walk not after the flesh, but after the Spirit." "The Spirit itself beareth witness with our spirit, that we are the children of God," and therefore immortal.

Prayer
O God, help me this day to mind the things of the Spirit in joyous awareness of the fellowship of Christ. We pray in the name of our living Lord who taught us to pray, "Our Father who art in heaven. . . Amen."
Thought for the Day
The life that is "hid with Christ in God" can never die.
Carl G. Bader (Nebraska)

AUTO CLUB'S TRAFFIC TIP

SLOW DOWN, LIVE LONGER

Excessive speed is still the leading factor in the highway fatality rate, the Automobile Club of Southern California reminds motorists. Last year more than 13,500 persons throughout the nation were killed as a result of exceeding the speed limit. Slow down and live longer!

New Officers for Grove Schools Citizen Advisory Group

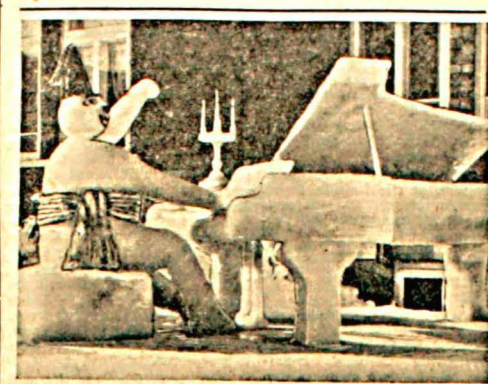

New officers were named last week for the Citizen's Advisory Committee to the L. G. Elementary School.

Replacing Rush Rowley as chairman, who has served a year, is Dr. David Wilhite. Mrs. F. D.

McClintock was named vice chairman. Alice Hacker is secretary.

The committee will meet again on the second Wednesday in May and then hold no further meetings until school reopens in the fall. During the closed periods letters of invitation to take part will go out to all groups and organizations and clubs in the community.

Liberace in Ice

ONE of the features of the Quebec Winter Carnival this year is the ice sculpture of a well known American pianist by the name of Liberace. The likeness of the maestro was carved by a Canadian National Railways worker who, in his spare time, is an art student. The icy Liberace, including piano and candelabra, should last until around the first of April if Quebec City doesn't thaw in the meantime.

Local Lady Wins County Club Honors

Shown above is Mrs. Leon Meyer, president of the Lemon Grove Woman's Club Juniors, as she extends the Juniors' congratulations to one of their members, Mrs. Le Roy Scagliotti, on her election as the president of the County Federation of Women's Clubs, Junior Membership, at the last county meeting in Vista, April 2.

OPEN HOUSE PROGRAMS SET FOR PUBLIC SCHOOLS WEEK

Public Schools Week will be observed in all schools in the Lemon Grove School District from April 25 through April 29. Plans for open house and special performances have been made by both students and teachers, and it is hoped that parents and other adults of Lemon Grove will avail themselves of this opportunity to visit the public schools of the community and observe the work being done in the classrooms.

At the junior high school, Ben I. Schei, principal, announced that a special assembly program will be presented Tuesday morning by the Starlighters, a dramatics class of seventh and eighth graders. Staged at 9:15 and 9:55 for the students, the event is also open for parents and others who wish to attend.

On Wednesday night at 8 the vocal concert, featuring the boys' glee, and two girls' glee, plus vocal ensembles, will be presented to the public. Adult tickets are 40c; children will be admitted for 20c.

All day Thursday, April 28, there will be a display of school materials and equipment in the junior high auditorium. The public is welcome to come and inspect these latest educational materials.

Several merchants in Lemon Grove have graciously permitted the schools to use window space for display of student work. The junior high pupils will have several such spots in and around the center of town.

In the elementary schools most of the teachers are planning open house for parents. Some of these will be at specially scheduled times, with notices to parents telling about the events. Others encourage parents to visit the schools any time during the observance.

Teacher Evaluation To Be Demonstrated For School Board

A demonstration of materials and procedures used in teacher evaluation will be given to the school board Monday evening, April 25, when that group meets for the second meeting of the month. S. K. Solleder, assistant superintendent, will explain evaluation procedure as used in Lemon Grove in the hiring, rehiring, and granting of tenure to certificated personnel.

Other items of business listed on the agenda include final acceptance of the San Miguel School additions, report of the teachers' association salary committee, and consideration of methods of allocating comprehensive insurance policies by the school district.

These board meetings begin at 7:30 p.m. at the Lincoln Street education center, and all residents of the community are welcome to attend.

JOB'S DAUGHTERS FASHION SHOW IS THIS WEEK

Plans for Summer Shades, the Lemon Grove Job's Daughters Luncheon and Fashion Show, are in full swing. The big day is Saturday, at 12 o'clock at Friendship Hall.

Fashions will be presented by Maris's, Misses Judy Nelson, Barbara Troxel, Karol Rife, Madeline Peckstein, Connie Allen, Donna Bell, Jean Lee, Sandra Schmidt, Lynn Shanks, Karen Wrede, Jackie Coyle, Valerie Honored Queen, Mrs. Upton and Mrs. Brehl, will be modeling the fashions. Donna Lee will be commentator and Mary Sue McManis will be accompanist.

The decorations that Kay Gulikson, Pam Amundson, Carol Willig, and Stephany Burns are arranging will follow a summer theme.

Serving the luncheon will be Sharon Sanders, Kyleen Oaks, Dee Ann Keys, Zena Dail, Carol Bybee, Earldene Ward, Pat Knapp, Ruth Dilly, Jackie Munn, Carol Upton, Barbara Thomas, and Paula Dewey. Sherry Hancock will be taking tickets.

Come and see the latest in summer styles. For tickets see any Job's Daughter or for reservations call Loretta Bell, general chairman, HO 6-1449.

AAUW TO HEAR MRS. KEDDIE

Mrs. Nikki Keddie, who holds the AAUW Mary Anderson Fellowship for 1954-55, will address the annual fellowship meeting of the American Association of University Women Friday, April 22, at 8 p.m.

The meeting will be held in the San Diego Woman's Club-house at Third and Maple.

SQUARE DANCE SET FOR LEGION HALL

Don't forget, if you want to learn to square dance, be at the American Legion Hall in La Mesa at 8118 University Ave., next Tuesday at 8 p.m. to 10 p.m. Pete Mighetto will be the instructor. The class will be kept open two more weeks for new members.

Square dancing is considered one of the most wholesome and most economical of all pastimes. The cost will be \$1.00 a couple per evening.

Lemon Grove-Spring Valley Fairest of Fair To Be Named May 5

Lemon Grove and Spring Valley's Fairest of the Fair—Miss Con-Tour candidate will be selected Thursday evening, May 5 at Michael's Restaurant during a meeting of the Lions Club beginning at 7:30. Hap Van Nice is the project chairman.

It is anticipated no less than eight contestants will vie for the crown, Van Nice said. Any girl who is a resident of Lemon Grove or Spring Valley, between the ages of 17 through 22, and single, is eligible to compete. No talent or modeling experience is required. Judging will be on a point system for beauty, personality, charm and poise. Candidates will be judged in formal.

Local winner will compete against 25 other finalists, each representing a different city or community in the county, at Del Mar, June 4. The winner there will reign over the Southern California Exposition and County Fair, June 24 through July 4.

The weekend following her selection, June 11-12, she will be queen of the Camp Pendleton Rodeo, one of the largest events of its kind on the Pacific Coast, witnessed last year by more than 75,000 people.

Throughout the year she will hold the title of Miss Con-Tour and will be the San Diego Convention and Tourist Bureau's official hostess at special functions.

Girls interested in participating in the preliminary contest can obtain entry blanks at Lemon Grove Camera Shop, Helen Gaudin's Style Shop, Valley Pharmacy, Spring Valley, and Stan's Market, Casa de Oro, or by calling Van Nice, HO 6-7297.

STAN KENTON TO PLAY AT RUSS

Tonight starting at 8:30 p.m. the ever popular Stan Kenton and his fine orchestra will be in concert at the Russ Auditorium in San Diego. Stan will have his company of 22 artists that has been playing at Sherman's for the past week.

Since many people under 21 years of age didn't get a chance to see Stan while at Sherman's, through popular demand and at a last minute scheduling on the part of Don Howard, KSDO deejay, Kenton and his crew will give a fine performance in the Russ, located on the campus of San Diego High School. Tickets are going for \$1.50, \$2.00 and \$2.50, tax included.

BAPTIST VACATION SCHOOL TO BE HELD THIS SUMMER

Plans are being made at First Baptist Church, Lemon Grove, for Vacation Bible School, which will begin June 20 and continue through July 1. A number of the ladies will attend a Bible School Clinic, which is being sponsored by the San Diego Southern Baptist Association, this next Thursday in the First Southern Baptist Church, located at Park Boulevard and Mead Street. This clinic is designed to prepare the workers for these two weeks of special training for the children.

A record enrollment and attendance is expected in their Vacation Bible School this year as they have more rooms to take care of the children, than they have had in the previous years.

STATE AUTO INFLUX SETS NEW RECORD

Out-of-state automobile influx into California and the Southland set a new first-quarter record.

Some 206,555 cars, with more than a half-million passengers, entered Southern California during this year's first three months compared to the old high of 197,876 autos in 1953's first quarter.

Auto influx throughout the state during the same period totaled 330,606 compared to the 1953 record of 319,847.

Local Lodges to Have Part in Public Schools Week

Declaring that the American public school system is a bulwark of our republic, Governor Goodwin J. Knight, in a statement just issued, urges the men and women of the state to take advantage of Public Schools Week by visiting and knowing what the neighborhood schools are doing.

Public Schools Week will be April 25-30. It will be the 36th observance of this California initiated event, now spread to a number of other states. The governor points out that as important as adequate classrooms and school facilities are, these are relatively valueless without competent, trained teachers.

"With the approach of another Public Schools Week, it seems appropriate that the people of California should give particular attention to the problems of providing proper educational opportunities for the boys and girls of our state," the governor said.

The local schools joining with those throughout the state will hold open house during this week. Special programs will also be a feature, according to the committee in charge of arrangements.

Lemon Grove Masonic order is sponsoring an essay contest among local school children. Three \$25 Savings Bonds will be given for the best papers on "Free Public Schools are Essential in a Democracy."

Judges are: pastors Dan Apra, Don Cooke and Bob Rochelle of the Congregational, Methodist and Baptist churches, respectively.

HELIX SETS OPEN HOUSE PROGRAM

Helix High School will observe Public Schools Week with Open House on April 28 in the evening. The program will start with a short P-TA meeting in the cafeteria at 7:20. Mrs. William Beas-

Throwin' The Bull

By BOB TURNBULL

It's a Joke, Son! ... Getting an idea should be like sitting down on a pin—it should make you jump up and do something.

"Legs" Grable ... has a very popular and talented hubby named Harry James. Well, Harry and his horn, plus the band, were recently at the Trianon Ballroom and where the top bands play naturally Helix students and alumni show up, like Dottie Wright and Dave Crawford, Glenna McAnish and Don Warfield, Ann Murray and Gary Smith, Carrie Boyd and Bob Turnbull, Nancie Lee and Alan Ernest, plus the following and their dates: Barry Armstrong, Mary Sue Kirkland and Jerry Gentillani.

Sports Round-up ... Following are more consensus of the rest of the "big league" baseball nines and how their teams shape up. Brooklyn Dodgers: Excellent catching, good pitchers with several "ifs," topnotch outfield, real pro infield, is definitely one of the big three in National League. Chicago White Sox: Strong catching, good pitching, mixed-up outfield but fairly strong, terrific infield, will make a strong contender. Cincinnati Redlegs: Poor batting catchers, weak pitchers, solid outfield, good infield, has good defense and reserves but lacks pitchers so we can't expect too much out of them. Philadelphia Phillies: good hitting catchers but weak on defense, strong pitchers, fair outfield, unsettled infield, should place fourth if they fight hard. St. Louis Cardinals: Good catching, lousy pitching, good outfield, first rate infield, is a threat team — no more. New York Giants: Fair catching, very good pitching, strong outfield, first rate infield, favored to win. Cleveland Indians: Good catchers, the best in pitching, powerful outfield, speedy infield, is favored to win.

Before Party ... was held at Dianne Gundry's house in La Mesa, previous to the Easter Sunrise services Saturday fore last. Those in attendance of this "all-night" affair were: Dottie Wright 'n Dave Crawford, Lil Good 'n Bob Turpin, Carrie Boyd 'n Bob Turnbull, also Chuck Hurley, Mona McIntosh, Jerry Mulder, Ed Keemmer, Tom Simmons, Arvis Reed, Mary Gundry, Dan Spinazzola, Russ Kennedy, Jim Ethridge, Sonny Shultz, Jerry Kendrick, "Little" Grimsby, Bill Turpin, Georgena Wilkinson, Pat Terrell, Bev Richards, Bob Beasley, Bill Beasley, Dennis Baker, Phil Baker, John Bates, Janet Plister, Cynthia Hoops, Janet Sloan, Dianne Curtis, Pat Adams, Bob Harris, Bill Wilson, Dick Wilson, Dick Gardner, Dick Gilmore, Sonny Beyers, Mary Ann Turner, Jim Gundry, John Cas-

tiglone, Jim Cranker, Connie Mastorakos, Janis Jowett, Mike Spinazzola, Buddy Davis and Diane Gundry.

Local Scuttlebutt ... "And blessed is she that believed." (Luke 1:45). ... This week's top pop tune: "Ballad of Davy Crockett" by Tennessee Ernie. ... Congrats to Helix senior Doug Bwy who won last week's photo contest. ... Congrats to Tom Johnson who was recently elected prexy of Grossmont's ASB. ... Now playing at the Grove Theatre: "Drum Beat" and "Pirates of Tripoli." Starting Sunday: "The Detective" and "Crest of the Wave." ... Congrats to former Helix prexy Ed Tilling, now attending Pomona college, for being named a member of the Pomona college delegate to the fifth Model United Nations, to be held at Frisco State college in May. ... It's also nice to recall that the girls' bowling team from Helix won the State Championship in the junior women's division and also the city championship.

Old Mission ... beach was jumpin' last week with the following friends tearin' the beaches apart: Ronnie Junkin, Lanny Ross, Jim Ethridge, Bob Turnbull, Julius Tuite, Kathy Boyd, Tom Kelly, Cedric Jordan, Pete Selto, Bruce Bender, Dick Conde, Milton Bennett, Ed Perkins, "Smokey" Nelson, Don Warfield, Glenna McAnish, Ted Glavas, Bill Cooper, Claudette Keyser, Pat Adams, Diane Gilmore, and many others.

S.V.-MISSOURI PICNIC PLANNED FOR SUNDAY

The annual Spring Valley Missouri Picnic will be held next Sunday, April 25, at the Community Center, 9050 Memory Lane.

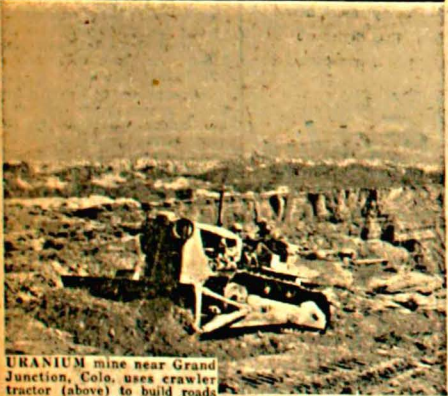

The pot luck dinner will start at 1 p.m. Everyone is asked to bring their own table service. Coffee will be served. A short entertainment will follow the lunch.

All former and present "Show Mes" and friends are invited.

Janet Trigg is featured on Pacific Telephone's THIS IS YOUR MUSIC.

Spring Valley Woman Gets State Council Award

Mrs. Ruth P. Noe, of 10385 Loma Rancho Rd., Homelands, chairman of the 1954 Grossmont Homemaking Scholarship Fund, was honored with the Council of California Vocational Association's annual award, during a banquet at the Ambassador Hotel, in Los Angeles, April 3.

The award is presented to a lay person who has made outstanding contribution in the field of home economics education.

Because of her efforts initiating the Homemaking Scholarship Fund at Grossmont in 1954, Mrs. Noe was nominated for the award by the executive board of the San Diego Section of the California Home Economics Association.

Mrs. Noe is mother of Ruth Noe, former Grossmont High student, now attending Junior College. Mr. Noe is a leadman in the air conditioning and refrigeration department at North Island.

Spring Fair of Modern Home Ideas To Be Held

The 1955 free admission Spring Fair of Modern Home Ideas, sponsored by the Bureau of Home Appliances of San Diego County, will this year be held from April 22 to 27, in the Electric Building, Balboa Park.

First held 18 years ago, but suspended during the World War II years, this 11th Annual Spring Fair is expected to attract record crowds, says J. Clark Chamberlain, show manager. Last year's Spring Fair set a new attendance record of 155,000.

Chamberlain said approximately 100 exhibitors will be displaying the latest models in all kinds of electric and gas appliances. Added sparkle will be given to this year's fair by the presence of many colored kitchens and colorful appliances of all kinds. Today's trend toward built-in kitchen equipment such as refrigerators, ranges, washers, and dryers, will be represented alongside fabulous "Kitchen of Tomorrow" exhibits. The bureau's Electrical Contractors' Division is sponsoring the Light-o-rama display, which will feature new techniques in practical and decorative lighting for homes, offices, and outdoors. Leading appliance manufacturers are sending 12 expert home economists to man their exhibits and provide helpful guidance to homemakers who may have questions on the daily efficient use of appliances. They will also demonstrate cooking techniques, and provide valuable hints on the preparation and storing of foods. Color television will also be well represented throughout the show.

Interest-provoking and entertainment-providing exhibits will include "Sylvania Sam," a huge electrically-operated robot; a display of Geiger counter and scintillator uranium hunting equipment; winning entries of the Science Fair; a spectacular fire control demonstration presented by the Navy; and many others.

Finalists in the 1955 "Miss San Diego" contest, sponsored by the Junior Chamber of Commerce, will serve as hostesses each day of the show.

On Friday, April 22, the first day of the show, doors will open at 6 p.m. and thereafter at 1 p.m. each day; closing time is 10:30 p.m. during the six-day run of the show. Door prizes will be presented each afternoon and evening.

Jehovah's Witnesses Call Circuit Assembly

The La Mesa, Lemon Grove, Spring Valley congregation of Jehovah's Witnesses contemplate a big convention season this year. First on schedule is the Circuit Assembly set for April 22-24 at the San Diego Coliseum. Following this the majority will be delegates at the Los Angeles National Assembly July 6-10; many witnesses have reservations to attend a series of conventions in six European cities July and August. A fall circuit assembly is also expected.

About 150 will go from Lemon Grove, Spring Valley and La Mesa.

Eighteen congregations are included in the circuit, California No. 1 located generally south of Santa Ana. Highlight of three day's activities will come with the public address "Why a New World is Possible" by the district minister, C. W. Rieger, Sunday, April 24 at 3 p.m. Mr. Rieger represents the Watchtower Bible and Tract Society at New York, the convention's sponsor, and arrives from a preaching tour of the Western States. A peak attendance of 2,000 is expected. The circuit minister, E. S. Bennett and others will also address the conventioners. Delegates anticipate an instructive trip, seasoned with refreshing interludes with old and new friends.

LEGION GROUP TO OBSERVE PAN-AM WEEK

La Mesa American Legion Auxiliary, Unit No. 282, will meet Friday, April 22, at 8 p.m. in the Legion Hall, 8118 University Ave.

In observance of Pan-American Week, a special program will be presented at 9 p.m., following a short meeting.

LAKE MURRAY TO OPEN FOR FISHING THIS MONTH

Opening date for fishing on Lake Murray will be Saturday, April 30. The lake is open to fishing on Saturdays, Sundays, Wednesdays and holidays.

The lake is operated by Lemon Grove water works.

will enjoy this characterization of the Catholic priest turned detective, which he adds to his list of skillfully executed portrayals. The story concerns a priest whose flock is made up of assorted wrong-doers whose souls he tries to snatch for a higher authority than the police by employing methods somewhat unorthodox. Guinness is surrounded by a fine cast of supporting players. Peter Finch is outstanding as a suave thief, and Joan Greenwood as the romantic interest. The companion film is the exciting all-male drama title "Crest of the Wave" starring Gene Kelly, John Justin and Jeff Richards.

Spring Valley Woman Celebrates Ninetieth Birthday

There's one lady in Spring Valley who's not afraid to admit her age: Mrs. Mary Buckley, of 9029 Campo Road. She celebrated her ninetieth birthday last Saturday.

Mary was born April 16, 1865, to Mr. and Mrs. E. H. Chorn, in the little town of Birken, Ill. (Montgomery County).

Later, the Chorns moved to Mason City, Ill. There Mary met a carpenter by the name of Frank Buckley. They were married in 1885. Mr. Buckley passed away in 1919.

Much later, Mrs. Buckley (Mary) moved to Topeka, Kansas. In 1937 she decided to pay a visit to her daughter, Miss Carolyn Beulah Buckley (former deputy county clerk) of San Diego. That visit did it. She never returned to Kansas.

In 1941 Miss Buckley and mother took up residence at the Campo Road address. In 1943 Miss Buckley passed away. It was then that Mr. Lyle Buckley (son of Mary) and his wife came out from Topeka to live with mother in Spring Valley. And what a happy family!

"You know," says ninety year young Mary, "I always claim that

I took Abraham Lincoln's place. He was shot on April 14, 1865. He died on April 15, and I was born on April 16."

Robert Gott, Quincy, uranium prospector supplier—"The Geiger counter's replacing the gun. If anything will take a deer hunter's mind off his quarry it's the prospect of fast and easy riches."

TIRED YOUNG MAN WINS PRIZE FOR PARENTS

A tired young man is the subject of this week's prize winning picture in the Review-Lemon Grove Camera Photo contest.

The picture is of Stevie, the 2-year-old son of Rose Jurchenko, 7890 Mt. Vernon St. Prize for this entry is a casting rod given by Erv Brandon's Sporting Goods Store on Broadway.

Second prize went to Ted Skelley, 7644 Church St. His picture was of his 18-month-old son David taking a bath. He wins a canned ham from Buddy's Food Mart, 7341 Broadway.

Third prize winner is Ray E. Congdon, 10320 Don Pico Road, Spring Valley. His entry was a 22 minute time exposure of the U. S. Capitol taken at night. Congdon wins two steak dinners at Pal's, 3521 Broadway.

All three contestants win certificates of merit and an enlargement of their prize winning photos.

Everyone is eligible in this contest. There is nothing to buy or guess. The picture needn't even be processed by the Camera Shop and it makes no difference whether the negatives or prints are used. Awards are made on the basis of human interest and good photography.

Doyle Selling Real Estate for McGee

Anderson Doyle, Spring Valley's newly installed fire commissioner, has a new vocation: real estate salesman. He is now with the McGee Real Estate Company of Lemon Grove.

Anderson, or "Andy" as he is known around the Valley, has lived up on Garden Way since 1949. He and his charming wife, Muriel, have been very active in civic affairs. Andy himself started the Casa de Oro Boy Scout Troop.

Writer's Club to Name Officers

The La Mesa Writer's Club will hold their regular meeting, April 25 (Monday), at 1:30 p.m. in the Collier Park Clubhouse.

Main order of business will be election of officers. The slate was presented at the March meeting, but there will be nominations from the floor.

Mrs. Halley Holmes will give a report of the Rydberg talk to the Scriptographers. If time will permit, several manuscripts will be read.

'Platter Parade'

Ratner Recommends . . . both their store at Eighth and Broadway in downtown San Diego and the following two discs: "A Blossom Fell" by Nat "King" Cole and "Cherry Pink and Apple Blossom White" by the Mambo King, Perez Prado.

Platter Poll . . . Here are this week's top five pop tunes at Ratner's: (1) "Ballad of Davy Crockett" by Tennessee Ernie, (2) "Melody of Love" by the Four Aces, (3) "Sincerely," McGuire Sisters, (4) Georgia Gibbs singing "Twisted Dee," (5) "How Important Can it Be" by Miss Double J, Joni James.

Personalities . . . Miss Los Angeles of '54, Colleen Burke, sings and dances very well—she's testing for pix. . . Marion Colby is a deejay on station WABC in New York and is also in the Broadway musical "Pajama Game." . . . Singer Connie Haines (latest disk is "Man to Woman") is married to Bob De Haven, her flyer-husband. . . . Jane Froman's pet monster is a cute lil' dachshund. . . . The Rover Boys Quartet roved here from Canada.

Albums . . . Ratner Electric carries all the Jazz at the Philharmonic album series on both 78 and 45 r.p.m., plus album and lp's. Norman Grant JATP series are: "How High the Moon—JATP All-Stars," (then volume two through 16) "Blues for Norman," "Crazy Rhythm," "Blues," "Body and Soul," "JATP Blues," "Tea for Two," "Perdido," "Mordido," "Endino," "The Man I Love," "The Opener," "Embraceable You," "I Got Rhythm," "Jam Session Blues," and "Cool Blues."

Present Jazz Course . . . Jazz is taking its place in the ivied walls and tree-lined walks of the nation's seats of learning. A complete course in jazz appreciation is being launched at Columbia University. Oddly enough, heading this fundamentally American course will be a Britisher, Sidney Gross, who has been working as a disk jockey in this country for the past two years. Gross also is a jazz guitarist, who has appeared in Greenwich Village night spots.

"PROBATION AFTER DEATH"

TITLES RESURRECTION SERMON
Jesus' resurrection pierces the old-age doubt of life after death and records a progressive experience declares the Lesson-Sermon on "Probation after Death" in all Christian Science churches Sunday.

The Golden Text from Hebrews (12:14) reads, "Follow peace with all men, and holiness, without which no man shall see the Lord."

Mark's Gospel (16:9, 12, 14, 19) records that "when Jesus was risen early the first day of the week, he appeared first to Mary Magdalene, out of which he had cast seven devils." Later he appeared to two of his disciples, "as they walked, and went into the country. . . . Afterwards he appeared unto the eleven as they sat at meat. . . . So then after the Lord had spoken unto them, he was received up into heaven, and sat on the right hand of God."

A 650-seat indoor theater will replace the Fashion Theater at the Southern California Exposition and County Fair, June 24 through July 4. The theater will be available for special activities during the year.

CHAMPION FISHIN' "5"

Smooth . . . Super-smooth forward, neutral and reverse power shift with Magic Wand steering grip control. Simulates boat and motor operation.
Quiet . . . New modern, low-friction powerhead. Reduces weight to horsepower ratio.
Dependable . . . Positive starting. Responsive flexible power from 8 to 18 miles per hour. Diaphragm fuel pump. Variable primer. Swing-in-to-boat lower unit. Separate low pressure 3 1/2 gallon cruising tank. EZ-Off hood. Weighs only 46 pounds. On display now.

Employment Department to Cut Costs by \$35,000

The State Department of Employment said it would slash \$35,000 a month off its operating costs when it moves into its new headquarters building in Sacramento early next year.

"This is another step in our campaign to improve services at reduced costs through better management," William A. Burkett, director of the Department of Employment, said in announcing the planned economies.

The \$35,000 monthly savings will result from the installation of an electronic data processing system, which will replace about two-thirds of the department's present mechanical tabulating equipment. The Department of Employment, incidentally, will be the first organization in Sacramento and the first unit of state government in the nation to install the new electronic data processing system. Cost of the new equipment was not revealed.

DONALD ZIELINS WINS A PRIZE

Donald Zielins, 9, 2770 Dennis Lane, has been awarded a wood-burning set in the good deeds and safety promotion being conducted among children by Johnny Downs of KFSD-Channel 10. The basis for the award was a drawing with the caption "Do Not Crawl in Old Sewer Pipes . . . You Are Bigger Than You Think . . . You Will Get Stuck." Donald is in the fourth grade at St. John's School.

"We children should stay out of small openings and holes," he explained.

Ham And Wheat Croquettes An Unusual Combination

You never outgrow your need for cereal and milk! Try Ham and Wheat Croquettes for a unique way to include cereal and milk in your family's diet. These oven-baked croquettes will delight homemakers. They eliminate the tedious deep-fat frying usually required for cooking croquettes. Ham and Wheat Croquettes can be made earlier in the day and refrigerated until time to bake—a real timesaver for the busy homemaker in the late afternoon.

Milk and cereal make an equal contribution to the food values common to both. This combination offers nine important nutrients: protein, carbohydrate, thiamine, niacin, riboflavin, iron, phosphorus, calcium, and fat. There are few foods that can better the nutritional composition of cereal and milk—whether used as a main dish at breakfast, luncheon or snacks, or in combination with other foods such as the Ham and Wheat Croquettes.

Ham And Wheat Croquettes

2 tablespoons butter or margarine
2 tablespoons flour
1/4 teaspoon salt
1/2 cup whole wheat cereal, uncooked, instant or rolled
1 cup boiling water
2 1/2 cups ground cooked ham
1/4 cup minced onion
2 tablespoons minced parsley
2 tablespoons water
1 egg, beaten
1 cup crushed corn flakes

Melt butter, add flour, salt and pepper and stir until smooth. Add milk gradually, stirring during addition. Cook over low heat until thickened, stirring constantly. Cook 5 minutes longer. Add whole wheat cereal, gradually to rapidly boiling water; stir constantly until thickened; cook slowly 2 minutes. Combine white sauce, cooked whole wheat cereal, ham, onion, and parsley; mix well. Chill thoroughly. Form into 8 croquettes, 1/2 inch thick. Mix water and egg. Roll croquettes in crushed corn flakes, then in egg mixture, and again in crushed corn flakes. Bake in shallow pan in hot oven (400° F.) 20 minutes. Serve with mushroom sauce. Makes 8 croquettes. Yield: 8 croquettes.

—Arcade of Grove Theater—

ON CORONADO BOARDS

Casting for the next production of the Coronado Players, Clare Luce's "The Women," has been completed except for a few minor roles, according to Director Stanley Martin. The play opens May 11, and will run three weeks on a Wednesday through Saturday schedule at the Strand Playhouse.

YOUTH GROUPS TO THANK LOCAL CONTRIBUTORS

Store owners throughout the Lemon Grove area will get a vote of thanks Saturday from the Boy Scouts for the money they gave to the Second United Success Drive. On Monday Camp Fire Girls will add their thanks

to all persons crossing the bay by ferry in the late afternoon.

The two youth organizations are saying thank you for all 42 agencies that receive their operating expenses through United Success. At the same time they will hand out copies of the new "Community Success Report—1955," a pamphlet telling those who gave just how their money is being spent.
